POLITICAL HOT SHOT.

"Reformers" Appealing for Democratic Help.

Last week Nick Hayes, of Greenwood township, received an express package of 100 copies of the Search-Light. Also a nicely worded letter asking him to help smash the republican machine. This was signed by reformer Cyrus A. Hovey and attorney Geo. G. Moore, and thereby hangs a tale. Nick has long been a leading democrat and prominent in the councils of that party. As such he came in contact with Hovey when he was an office-holding democrat and out to smash the republican party. Hovey's appeal was a natural result of party association. But it fell on deaf ears. Nick says that he helped Hovey as a democrat and perhaps he gave Attorney Geo. G. Moore aid and comfort in his efforts to elect O'Brien J. Atkinson, a democrat, Circuit Judge two years ago. But he don't care to join their ranks as a "reformer" of republicans—merely to build a new machine.

The "reformers" want to smash the republican organization because of the nominations it has made. Electors may well consider the list:

Sam W. Vance, Circuit Judge, two terms.
Frank Whipple, Circuit Judge, appointment and nomination.
N. E. Thomas, Circuit Judge.
E. F. Law, Circuit Judge, appointment.
Harvey Tappan, Circuit Judge, appointment.
Dan Rummels, Register of Deeds (first two terms).
Spain E. Pearce, Register of Deeds.
Haas Mains, Sheriff.
Stephen Moore, Treasurer.
Henry Streeter, Prosecuting Att'y.
Lincoln Avery, Prosecuting Att'y.
E. F. Law, Prosecuting Att'y.
Jos. Walsh, Prosecuting Att'y.
E. A. Bartlett, County Clerk.
R. S. Campbell, Com. of Schools.

And yet the machine is bad—very bad. It would be all right had it given these places to "Boxers" and "reformers."

Who ever heard that Cyrus A. Hovey, reformed democrat and reformer of republicans or Attorney George G. Moore had a grievance against the machine until it failed to recognize their claims for preferment and appoint one of them Circuit Judge?

The Search-Light raises a yell because an act of the legislature reconstructed the Jury Commission. The Jury Commission, composed of Fred Gooding, Sid McLaugh, and other "Boxers," consisted of but four members. The new bill dropped these out and provided for a larger board, necessary to represent all parts of the county. The new members are all honorable men. The fault finding is a "Boxer's" kick—nothing more.

Some of the "reform" speakers are saying that they don't want office. They insist that they are spending time and some one's money to rid the county of the present office-holders. The electors will know how honest they are in this claim when the County Convention convenes. Watch the roll call for candidates. One of them wants to be Circuit Judge in place of Judge Law or Tappan. Another Prosecuting Attorney, etc., etc.

One of the anti who was a "Boxer" makes the statement that Jos. Walsh is a candidate for Congress. The statement is untrue. He is not a candidate and will not be a candidate. The St. Clair county organization is friendly to Weeks. If any St. Clair county man receives its support, it is more than probable that it will go to General Hartsoff.

Saved From an Awful Fate.
"Everybody said I had consumption," writes Mrs. A. M. Shields, of Chambersburg, Pa., "I was so low after six months of severe sickness, caused by Hay Fever and Asthma, that few thought I could get well, but I learned of marvelous merit of Dr. King's New Discovery for Consumption, used it, and was completely cured." For desperate throat and lung diseases it is the safest cure in the world, and is infallible for coughs, colds and bronchial affections. Guaranteed bottles 50 cents and \$1.00. Yale High School Graduates.

The graduating class of Yale high school numbers eleven members this year, as follows:—Edith Holden, Lulu McMahon, Grace Newell, Blanche Parkinson, Florence Moore, Rosella McGregor, Marion Carless, Isla Evans, Will Bailes, Cam Baxter and Arthur Carson.

Class day exercises will be held on Thursday evening, June 27, in Central hall when papers and orations will be given by each graduate and local musical talent will help in the program. On Friday evening Dr. John P. D. John, ex-president DePaul University, will give a lecture and the diplomas will be awarded. Lawrence's orchestra from Port Huron will furnish music for this evening. The class colors are lavender and white and the motto, "Gradatim" meaning step by step. Prof. Robinson has a fine class of young graduates that he may well be proud of.

Happily Surprised.

James Hisey, whose home has been among us for the past 23 years, has relatives galore in the town of Yale, saying nothing of the hosts of friends, but these relatives are pretty good at keeping birthday dates in their minds and they remembered that Mr. Hisey must be fifty years old on the 2nd of June, so forty of them planned a gathering at his home on Monday evening and determined to keep it a secret from James. The thing turned out exactly as they wished and a more surprised man couldn't have been found. With games and music and social chat the hours quickly passed, and a second surprise was perpetrated upon this fortunate man, being presented by the aforesaid relatives with an elegant upholstered rocking chair. Mr. Hisey responded to the presentation with much feeling and thanked all present for their kindly thought and deed. After this the inner man was attended to, meaning that the ladies served nice things to eat and about one o'clock good nights were spoken and hearty wishes given that another fifty years might be added to the life strand of their relative.

Filthy Temples in India.

Sacred cows often defile Indian temples, but worse yet is a body that's polluted by constipation. Don't permit it. Cleanse your system with Dr. King's New Life Pills and avoid untold misery. They give lively livers, active bowels, good digestion, fine appetite. Only 25c at Grant Holden's drug store.

Base Ball.

Last Friday being a holiday both of Yale's base ball clubs, the first and second nines, played matched games. The first nine went to Brown City in the afternoon where they were defeated by the boys of that town. Score 17 and 3. Yale's second nine met the Capue boys on the diamond at the fair grounds here and walloped the visitors. Score 17 and 8.

A game is advertised for Saturday afternoon, to come off on the fair grounds, between the Yale Juniors and Memphis team.

Star Poultry Powder.

I keep about 100 hens and for the past three years have fed Star Poultry Powders with the most satisfactory results. There is no doubt that the difference in the amount of eggs I gather since feeding Star Poultry Powder more than double pays the cost of the Powder, and besides I have never had any sickness in my flock during the past three years. My flock has certainly been very profitable to me. I feed the Powder most all the year round. I do not believe in waiting until the chickens are mostly all sick, as some people do, which is certainly a very unwise way to make a success of the poultry business. It certainly is very profitable for any poultry dealer to feed Star Poultry Powder.—FRANK MOON, Imlay City, Mich.
